New Beginnings

Starting over in life often holds considerable appeal, as many of us have wanted on several different occasions (or at least I have). Thankfully, God is proficient at providing us with these opportunities. Through Jesus Christ, we can experience new beginnings, wiping the slate clean for a fresh start in life.

In Ephesians 4:22-24 it talks about how accepting Christ helps us move away from our old, sinful selves, and to embrace our new selves that were created to reflect God's holiness. This includes the pessimistic mindsets and deceptive longings that can occasionally infiltrate our thoughts. Embracing Jesus and committing to follow His way of life contributes to the personal growth and improvement of each individual. God's love towards us remains unwavering. Despite our mess ups, His love endures, always ready to embrace us and guide us through challenges. This scripture on fresh starts emphasizes that through Jesus' sacrifice, our lives are not only redeemed but also capable of serious change at the depths of our soul.

Similarly, in 2 Corinthians 5:17, it speaks of becoming a new creation in Christ, old things passing away, and all things becoming new. Through stories like The Parable of the Lost Son (Luke 15:11-32) and the conversion of Saul (Acts 9:1-19), the Bible illustrates the grace and mercy available for those seeking a fresh start. These stories remind us that regardless of our past mistakes, God offers forgiveness, renewal, and the opportunity for a new beginning to all who seek Him with an apologetic heart.

GRACENOTES

Graduation

To Graduate: By definition the state of graduation implies a celebration of accomplishment. You have finished something. You have satisfied somethings. You have journeyed somewhere. Somehow you have made it to an ending. This is a wonderful rite of passage. You are blessed to see this destination and should enjoy having arrived here.

To Graduate: By definition this means you no longer belong anymore. You can't go hang out at school next year. They will not let you play football in the fall. You can't sign up for extended volleyball, tennis, track or any other activity at the school. You have graduated. If you try to return they will encourage you to go away.

To Graduate: By definition this means you are now a rookie once more. No one ever finishes living. You will take what you have learned and go on to learn something else. Education is not over. You have trained to a level that expectation is placed on you. You have arrived at a place where you are encouraged to use what you know to produce something. You may go on to further education from which you will eventually graduate and then you will be expected to contribute something to the world.

The greatest contribution you will ever make is to the kingdom of God. He is the one that gave you a brain and causes you to learn. He is the one that wants to see if you have arrived. Arriving to God means learning to submit fully to His needs and purposes. To LOVE GOD is the goal! To Serve GOD is your purpose. To See GOD is your reward! Congratulations Seniors 2024. Go with GOD!!!
