DEACON DIGEST

God has brought us into this world to give us identity: His children. To define our purpose: to live in fellowship with His creation and Him. He also wants us to have a full life with Him. We struggle when we fall out of this reality. Sin replaces true reality and brings destruction. God went all-in to make a plan to restore the true design and meaning of our lives. Christ did everything to identify with His creation (humanity). Not only did he leave behind all comfort, power and glory, but he also walked this earth misunderstood, rejected, lied against, spit upon.

When we look on ourselves and say “no one understands , or feel rejected; Christ through His Spirit, comforts and provides for our misfortune by bringing a person to change the circumstances of our life. We receive encouragement and strength to do the same for others. When we surrender our lives to Him, He fills them by offering opportunities to minister to those who are in need!! Let us pray that the eyes of our hearts be always open and receptive to God’s never ending chasing after us!!!

““A father of the fatherless and a judge for the widows, Is God in His holy habitation.” Psalm 68:5

“Who comforts us in all our affliction so that we will be able to comfort those who are in any affliction with the comfort with which we ourselves are comforted by God.” 2 Corinthians 1:4
