GRACENOTES

Plans

There is a passage that speaks to the work God has done, is doing and will do. The simple verse is below. Paul speaks of the manifold wisdom of God that is revealed in the gospel being preached.

This was in accordance with the eternal purpose which He carried out in Christ Jesus our Lord, in whom we have boldness and confident access through faith in Him. Ephesians 3:11-12

Imagine an eternal purpose. The cross is not a surprise to God. The Jews and Romans are not some sort of failed experiment in Jesus' day. Something much larger is going on. Something cosmic and spiritual and out of this world is taking place in the life and death of Jesus.

God is working out an eternal purpose. Before He created the world or mankind he had a plan to save through Christ Jesus. He set His agenda and went about accomplishing His work. Man is called to salvation in Christ. Mankind is urged to embrace the eternal purpose of God.

The working out of this purpose by God gives us boldness and confident access because we believe in Jesus. Faith is the victory that is overcoming the world. Faith is the avenue that is opening up the kingdom. Trusting the work of Jesus offers hope beyond comparison.

When you are frustrated because your plan fails, rejoice that the eternal purpose of God which He carried out in Christ Jesus never fails.

David Bennett
